Just when you think Confidential can't get any nastier... we get nastier. But don't blame us, if you're gonna blame anybody, blame the cocksluts we cram into our magazine. Blame Lea (pictured left, and on page 20) for insisting on taking it in the ass. And it's not our fault that when Jasmin says she wants to be 'Filled to the brim' (p138), she's talking about a deep DP. Is it our fault that Nataly and Renata want to try out a strap-on (p40)? Or that when four chicks get together they don't talk about clothes but fuck the hell out of each other (p104)? Is it our fault this mag is so hard? It is? Okay, we'll take the blame for that...

# MY SEXY SECRET!

## "I MAKE MY OWN PORNO MOVIES!"

I've always liked watching porn, but I love making it even more — I get to watch it and star in it too! My favorite fuckbuddy works out of town a lot, so I'll set the camera up and fuck myself with a dildo for a while. I like to really work it deep in my cunt and then suck it slowly, lingering to taste all the tangy juices. Sometimes I'll put a toy in my ass too — he likes that. I'll do lots of nasty talk to the camera, telling him what I want him to do to me, which is everything you can think of! Once I've finished it, after I've cum at least two or three times, I'll edit and then upload it online so he can download it wherever he is in the world. I love the thought of him jerking off to my homemade porn. In fact, I love it so much that my pussy tingles and I have to get my camera out again!

**How did you get involved in the adult industry?**
My friends Shauna Banks and Jason Steele got me into the industry back in August of 2006. I was already doing erotic modeling and exotic dancing so after the hubby tried it out and saw how it worked we decided to go for it.

**Do you remember your first sex scene?**
My first scene was for *MILF Hunters* for Icey Porn and it was with a guy named Shawn. It was pretty cool since Shauna Banks and Jason Steele were there kind of supporting me and showing me the way it worked. The scene was pretty cool. The only thing that sucked for me being my first scene was that Shawn busted his load right on my eye and it burned like crazy!

**Where do you prefer to take the money shot?**
I like taking the money shot right on my booty hole. I have a thing for that; it drives me crazy when the cum drips from my ass to my pussy. Now as far as tasting cum goes, let's just say that you can tell when the man has a shitty diet.

**What turns you on?**
I really love confidence in a man or woman. I like someone that tells you how it is and takes control in bed. Physically, the most sensitive part of my body is my nipples. Suck on them and my pussy's wet all day...

**What turns you off?**
Low self esteem. The type of guy that has to ask you if you came or was it good after he gets done. If you have to ask, then you probably sucked.

**Is it easy to make you cum?**
I am pretty orgasmic, to be completely honest. I can cum several times during sex but the first one is always the best, so I find myself stopping myself every time I feel like I am cumming because I want it to be that much better. There are times that as soon as I feel a thick hard cock going inside me after getting my pussy eaten, I am already cumming. Best way to get me off... eat my pussy first! I like sex soft and sensual with a girl and rough and hard with a man.

Gettin' dong from John Strong.

**Who do you think gives better head – men or women?**
It depends. Women know what we like but when you get a really motivated man, he certainly works hard until he finds out. Sometimes that little tease before finding the spot makes it more erotic.

**What's your favorite position?**
Doggie style and reverse doggie – if you don't know what that is then watch my movies. Let's just say I was a contortionist in the circus before porn. My favorite way to get fucked is doggie style while I play with my clit and my man fingers my ass.

**Does size matter?**
Absolutely. If someone says that it doesn't they are just trying to be politically correct. Nothing beats a nice thick cock when it's stretching my pussy apart.

**Tell us all about a Katarina Kat blowjob.**
My blowjob is noisy and wet. I like being in control of the cock. Don't push my head or pull, just let me go to work on it. I make a lot of sucking noises and I gag myself with it so it makes my mouth watery. No matter how big your dick is I will make sure to handle it all.

Katarina buckles under the knuckles of Carmen McCarthy in Digital Sin's *4 Finger Club 25*.

**Do you like to masturbate?**
I don't really like to masturbate anymore because I am fucking pretty much every single day of my life and sometimes several times a day, so it really doesn't leave me any time. Now when I am traveling to do my features then that's a different story... I like to picture a special someone eating my pussy! I do like sex toys and I love the rabbit with pearls because it pretty much hits

Another Stone boning – this time from Lee – in New Sensations' *Addicted Forever*.

everything at once.

**Had you been with girls in your private life before getting into the business?**
Yes I had, I am bisexual for real, not just for pay or on screen. I had a couple of girlfriends back home in Kazakhstan and until recently my hubby and I had a girlfriend that we shared.

**What type of person appeals to you?**
I like a confident, funny, sexy man. He should be in good shape and take care of himself. I love a very sexy woman but not too girlie. One who loves sex and isn't worried about breaking a nail.

**Who are your favorites to work with?**
Other than my hubby, I like performing with Mark Ashley, Erik Everhard, Christian X, Travis Knight, Ben English, and a few more that I can't really think of at the moment, because they treat me with respect and are great during the shoot. For females it is a very long list but I can quickly mention Roxy Deville, Karlie Montana, Kylie Wild, Gina Lynn, Tera Patrick, Brooke Belle, and many more because they are cool girls and absolutely gorgeous.

**Is there anyone you'd like to work with that you haven't had yet?**
There are a few girls that I haven't shot with yet and I would love to shoot with: Teagan Presley, Gianna Lynn and Alektra Blue.

**What is your favorite sex scene from a movie you did?**
My favorite scene is from *Fill Me In 5* for DVSX and it was one of the rare times that I got to shoot with my hubby (C Los 'the freakin' monster' is his stage name) for something other than our own productions. Since he shot for Suze Randall before our scene, it was very hard for him to cum because his cock was numb, so we were actually fucking for like two hours and I loved it! I also had a scene with Kylie Wild and Mark Ashley that was awesome and a girl on girl with Karlie Montana who is so beautiful.

**Do you prefer scenes with people you've worked with before or new talent?**
I really don't like performing with new male talent, I stick with particular ones, but I love new females. I am not too much into group sex, either. I like to concentrate on who I am pleasing so it almost feels like the other people are in the way. I've been with three other people at the same time and any more than that is a crowd.

**Do you have any unique sex stories to share?**
I don't know if this would be unusual but I've been on some pretty crazy sets; I've had sex from the pool table to the top of a mountain. I think the desert was pretty unique: lots of sand, heat and sweat. I once was out on a date with someone and we went from being just friends and having a conversation to driving to a hotel and fucking the hell out of each other for like six hours. Four years later, he is still my special someone.

**What makes one of your movies special?**
Because I am not a faker. I truly enjoy myself in the shoots and if I say that I am cumming then it means that I really am cumming. I was a contortionist before I was a porn star so if you like flexibility and muscles in all the right places then I am your chick. I also have a very nice Russian accent!

**What do you think you're best at sexually?**
Everything, I am the whole package! I think that being me is what I do best. I've always been the same way and treat people the same way regardless of being popular or not. I truly believe that it shows on camera and people appreciate that.

**Have you learned anything new from this business?**
I learned that most people in the industry are like you and me. Nothing crazy, they're just trying to make a living.

**How do you enjoy spending your free time?**
I don't have a lot of free time. The time that I do have I dedicate to my family; my daughter and hubby are number one in my life.

**Do you still feature dance in clubs?**
I feature dance all over the USA. I love performing in front of a crowd. It reminds me of being in the circus and the people really enjoy the up close and personal experience. Performing in front of thousands of people for the circus has to be the most fun I've ever had with my clothes on.

**How can your fans get in touch with you?**
I have two websites that anyone can get in touch with me through. You don't have to be a member to join, though of course membership gives you access to more explicit content. They are www.katarinakat.com and www.svetlanamodeling.com. I have plans to continue shooting and dancing for a while. I have some upcoming releases for several websites as well as DVDs. I also plan to produce my own movie and open a Katarina Kat store. I want my fans to know that I appreciate the support and that I am committed to giving you the best. I want to thank *Club Confidential* for this interview and to all, lots of hugs and kisses! ♣

# LEA & JAMES

clubxcell
GET US ON YOUR CELLPHONE AT
CLUBXCELL.COM

Scientists have spent years searching for the elusive G-spot. Well, they can stop looking. James has just found it in Lea's ass. Or maybe it's in her throat, or deep in her pussy after all. The thing is, Lea just cums the whole time, whether sucking on a cock or with it rutting away at her tightest hole. Hell, she can have an orgasm just thinking about her next penis.

For James, there's nothing like a good audience, and he can fuck Lea in every slot knowing she's gonna be screaming with pleasure. But still, he likes to work his way through her traditionally. Mouth first, pussy second, ass next. And then back to the mouth, obviously. She's cumming within moments, his dick barely over her tongue before her first one hits. He's in prime position to benefit, in a 69 with her juiced-up joybox hovering over his mouth. He drinks down her tangy juices and lets his tongue flick her clit – which sets her off again.

It's pussy time next, and he slides home in missionary, doggie and spoon, bringing her off each time. She guides him from her pussy into her yielding ass, which clenches around his shaft as he slowly inches into it. That has her cumming again, and she's still cumming when he's emptying his nuts right into her mouth. Maybe she's got a whole bunch of G-spots... ♣

## PORNSTARS LIKE IT BIG 3

***STARRING:*** Shyla Stylez, Gina Lynn, Krystal Steal, Savannah Stern, Phoenix Marie, Adrenalynn, Mariah Milano, Jordan Ash, Keiran Lee, Mr. Pete.
***DIRECTED BY:*** Brett Brando.
***AVAILABLE FROM:*** Brazzers.

***BIG TITS / BIG DICKS***

From interviewing porn stars over the years, I've found out that they don't necessarily like it big. In fact, they're more concerned that you know what do with it than whether it has the dimensions of a nightstick. Or maybe they're just saying that to make me feel better about my kielbasa. Either way, they're definitely getting it big here, so if it's a combination of big boobs and big dicks you're after, you're onto a winner.

The triple threat of Shyla Stylez, Krystal Steal and Phoenix Marie kicks things off in fine style, hanging around in teeny bikinis before a couple of guys with hard dicks come over to keep 'em company. There's some nice blowjob footage here, but one thing quickly becomes apparent — the other two can't keep up with Shyla. Simply put, she's the best fuck in the room, and gets rewarded with the first money shot as a result.

Adrenalynn plays a drill instructor you wouldn't mind pushing up on. One of her charges — Keiran Lee — is packing some serious meat, and soon she's swarming all over it in a hot fishnet and camouflage combo. She looks great on the end of that fat rod and proves to be one helluva ride before she swallows some seed greedily.

Mariah Milano is supposed to be a spy or a secret agent, and I'm definitely liking her interrogation technique — gagging on Jordan Ash's joint. It starts off intense and carries on that way, before he dumps his dick dew all over her grill. Gina Lynn's scene is even hotter, Gina rejecting the poorly hung stud she's paired with and making a beeline for the bone of one of the crew. Her tits and ass get lovingly filmed before Mr. Pete bastes her tongue. Keiran Lee gets in some more cunt when tennis player Savannah Stern calls for new balls. She can't suck that much of his sizeable schlong but she sure tries, leading to a hot scene and a pop to the yap. Yup, the Umpire strikes back.

***SUMMARY:*** Top notch hotties with big hooters, cheesy set-ups, huge cocks. This is what we want from the Brazzers crew.

## TITS A HOLICS

***STARRING:*** Angelina Valentine, Candy Manson, Carly Parker, Gianna Lynn, Holly West, Michelle McLaren, Marco Banderas, Nick Manning, Ramon Nomar, Tony De Sergio, Voodoo.
***DIRECTED BY:*** Mark Stone.
***AVAILABLE FROM:*** Wicked Wall to Wall.

***FAT RACKS / CONDOMS***

If I'm watching a movie called *Tits A Holics*, packed with big-breasted stars, one thing I don't need is them asking me if I like big tits every five minutes. Enjoyable as Carly Parker's tease is for the opening scene, I don't need her questioning my love of huge rackage. That's why I'm here. She looks foxy in glasses, even if the lighting is poor, playing with her tits and pussy before Ramon and Marco arrive to plug her holes. Sometimes Wicked's gonzo scenes leave a lot to be desired — this one doesn't. Carly shows she can deepthroat, titfucks both guys — at one point getting her boobs and throat fucked at the same time — and then throws in a DP too. The guys wear condoms throughout, but whip 'em off to deliver pops to her mouth.

Sadly, the heat disappears during Candy Manson's hook-up with Tony De Sergio. The dirty talk is good again, but the blowjob is brief and bad, there's not a second of titfucking, and the sex doesn't really get going. It's a skipper. The same can't be said of Angelina Valentine and Gianna Lynn's dyke scene. They're both hot, know how to use toys and tongues, but it's the camera angles that bring the best out of them here.

Holly West says she's here to "get us all hot and bothered," which is nice, but then says, "Do you like big breasts?" That's like asking me if I like to see a girl take one in the pink and one in the stink while I'm watching *One In the Pink, One In the Stink*. Still, she makes up for it with some great anal, her ass pounding compensating for the fact that her tits aren't even that big.

Michelle McLaren's are more sizeable. In fact, everything about her seems inflated, right up to her lips. "I'm here to have a conversation with you about my tits," she says, although Voodoo skips the chat and fucks every available orifice up against a bar. Some hot reverse cowgirl anal is the highlight here. If I'm a titaholic, these gals are cumaholics.

***SUMMARY:*** The lighting could be better, but this is a more than decent gonzo effort from Wicked with some fine racks.

## LEX THE IMPALER 4

***STARRING:*** Jenny Hendrix, Gianna Michaels, Lisa Ann, Kelly Divine, Tiffany Mynx, Raven Black, Lexington Steele.
***DIRECTED BY:*** Jules Jordan.
***AVAILABLE FROM:*** Jules Jordan Video.

***INTERACIAL ACTION / GONZO***

Directed by Jules Jordan, starring Lexington Steele, Tiffany Mynx, Lisa Ann and Gianna Michaels. Yup, this is gonna have to try really hard to not get the full 5 splat rating from me. But it doesn't even try. Nope, it coasts effortlessly all the way. The legendary Tiffany sets things off the way she always does, and after all these years in the jizz biz she still shows no signs of tiring of large penises entering her butt. Her curves are still in all the right places, and Jules films her tease in his trademark way, with lots of ass shots thrown in. She's hot to trot when Lex arrives and huffs on his hambone with real hunger, soaking his balls in spit too. Next up he pounds her pussy, but that ass of hers is looking tempting throughout — it's only a matter of time before it's breached. When it is, the standing anal is fine, but the reverse cowgirl is off the hook. One of the best scenes of the year, hands down.

Kelly Divine's butt is no stranger to big cocks either, and Lex really goes to town on her tush in a scene that does a good job of maintaining the heat. She's no Tiffany — who is? — but she gives good fuck here.

One of the few downsides of this movie is that rising starlet Jenny Hendrix doesn't give up the butt. Okay, it's not like Lex is packing a tiddler, but I figure she could handle it in her tightest hole if she really tried. As it is, there's some real energy and chemistry in this scene, and there's no doubt Jenny will be back for seconds.

Gianna versus Lex? It's a no-brainer. Out-of-this-world dick-sucking and tit-humping make way for some of the best squat-fucking you'll ever see. Gianna is on the next level when faced with a dick this big and looks hungry for the jizz within. She gets it. I was hoping Lisa Ann would give up the ass in her scene, but even though she doesn't it's still a keeper, maybe because of the tit-fucking she throws in. Internet amateur Raven gets her go on Lex in the finale and pushes all the right buttons by getting two loads from the legend's length. That's two from Lex and three from me, making this a surefire five-splatter.

***SUMMARY:*** Tiffany and Gianna fuck up a storm, the other babes do their bit and the result is a DVD you need in your life.

## NAKED ACES 5

***STARRING:*** Shay Jordan, Riley Steele, Kelly Divine, Shawna Lenee, Daisy Marie, Jerry, Tony De Sergio, Tommy Gunn, Erik Everhard, James Deen.
***DIRECTED BY:*** Robby D.
***AVAILABLE FROM:*** Digital Playground.

***CONTRACT CUTIES / GIRLS WITH GUNS***

Sometimes, I'm not sure all the effort some directors put into their set-ups, plots and bits of comedy are worth the effort. I kind of got the joke here back in *Naked Aces 1*, and since then not much has changed. Okay, so it's just lighthearted fun, but when you've got a cast of hotties like this, isn't everyone just thinking, "Screw this shit, just get on with the fucking"? Well, I am. In fact, I'm not even going to engage with the dumb-ass plot one bit here. Nope, I'm too busy looking at Daisy Marie all over Jerry's cock like a rash. This lusty Latina wants her enchilada stuffed until it's sizzling like a fajita. I don't even know if she's from Mexico, I'm just saying. Whatever you might think of Daisy's titjob, that gorgeous face is still a cock magnet and Jerry makes sure he douses her after a decent scene.

Kelly Divine can usually be relied upon to make things nastier and she doesn't let my dick down here. Euro stud Tony De Sergio is charged with stuffing her slot, and once it comes to the anal they don't hold back. Whenever I see this babe take it in the wrong hole it's always a good day, and she vacuums up the guy goo too.

Riley Steele is one of Digital Playground's most recent signings and you can see straight away why they wanted her — she's got that sexy innocence thing down to a tee. She has a game go on Erik Everhard's sizeable stick and while the size of it might be too much for her, she almost holds her own and gets some protein paste too.

Shawna Lenee should be a bigger star — she's curvy as hell and has that Sunny Lane look that screams "sex". She generates some heat with James Deen here, although the pop to the pussy brings us back to room temperature. The finale sees another DP contract girl, Shay Jordan, saying "hi" to a hambone, and it's a fitting end to the movie: dumb plot, but hot girls getting hot cocks in their hot slots.

***SUMMARY:*** This movie would have been just as good — better, actually — without all the "acting". But maybe some people like to be distracted from primo pussy.

## PORNFIDELITY 15

***STARRING:*** Kelly Madison, Audrey Bitoni, Julia Ann, Priya Rai, Rikki Raxxx, Ryan Madison.
***DIRECTED BY:*** Ryan Madison.
***AVAILABLE FROM:*** Juicy Entertainment.

***BIG BOOBS / THREEWAYS***

The most important part of the cast list of this movie is the name Ryan Madison. Yup, just one stud. We've seen lots of movies where it's just one girl and a load of cocks, but Ryan must have done something special in a past life to have earned the position of sole dick in a forest of tits and pussies. His wife Kelly could be the main attraction on her own, thanks to her giant titties, but she kindly invites porn stars over for them to share, most of them with pretty big racks too. I'm guessing that Ryan is a tit man. Life is unfair for me, great for Ryan.

Audrey Bitoni is first through the door, although the girls start making out in the car on the way home. Once they're in the bedroom, the big-titted babes are all over each other with Ryan somewhere in the mountain of titflesh. He plugs both their pussies, paws their tits and then dumps his load. Nice work if you can get it.

Priya Rai isn't lacking in the chest department either, and she's Ryan's choice of fuck after he beats Kelly at chess. For a change, we get a one-on-one scene, with Priya sucking down Ryan's schlong and her curves taking over the whole damn screen. She doesn't hold back when she rides him and Ryan gives her some just desserts straight from his balls.

The Madisons are playing poker next, with Kelly fantasizing about doing a blonde. Turns out it's Julia Ann. It would be easy to hate Ryan at this point, who joins them for a pulsating threeway. He slips his salami between Julia Ann's fantastic funbags but reserves most of his thrusting for her snug pussy. The dames duly line up to get spritzed at the end of another fine scene.

The last one is strokeable too, heavily tatted brunette Rikki Raxxx adding her tits to the mix, and going the extra mile by sucking on the end of Ryan's dick as he fucks his wife's chesticles. If you like tits, you're in hog heaven here.

***SUMMARY:*** Our seething envy of Ryan Madison aside, this is great swinging action with big tits everywhere you look.

## SLAVE DOLLS 3

***STARRING:*** Ava Rose, Kristina Rose, Bobbi Starr, Lorelei Lee, Ashley Blue, Jandi Lin, Mr. Pete, Toni Ribas, Manuel Ferrara, Ashley Blue, Mick Blue.
***DIRECTED BY:*** Mason.
***AVAILABLE FROM:*** Elegant Angel.

***INTENSE ACTION / RAW SEX***

Mason's directorial career seems to have been both stop-and-start and hit-and-miss. Maybe it's because she doesn't churn out as much material as many of her peers, but we'd like to see more of her nasty gonzo. Here, she hits a homer with a cast of go-to nasty girls and some gritty sex that'll leave your dick satisfied.

Mason likes some extreme set-ups and kinky scenarios — hence the masked men in the opener — but once they cut to the chase and they're dicking Jandi Lin, anyone can get with it. Turns out they're Mr. Pete and Toni Ribas, and she's a hot Asian slut. I was happy when they jettisoned the ball-gag — it meant she could suck cock. It's intense and raw all the way, through vaginal and anal down to two creamy loads in turn.

Kristina Rose looks ridiculously hot here, and she's stoked about working with Manuel Ferrara for the first time. They click instantly, Manuel burying his face in her nether regions and then introducing her to his thick prick. The sex is on the rough side again, but there's no arguing with the size of the endless jizz blast he damn near drowns her with.

Lorelei Lee might sound like an accident at the vowel factory but this pale blonde is up for some nasty stuff. She sucks cock, eats ass and toes and then has her own butt plowed for good measure by Brandon Iron. Trust me, this isn't a couples scene.

Nor is Ashley Blue's tryst with Mick Blue. Ashley really doesn't do weak scenes, and here Mick really takes time out to fuck her face. If you like deepthroat, check this out, as Mick enjoys her mouth so much he doesn't even pull out when it's cumming time. Dribbling ensues.

But the very best is left for last, Bobbi Starr being Bobbi Starr and Ava Rose proving that without a contract holding her back she's a real wild chick. I'm saying no more about this scene, except that it's the one that persuaded me that this was another five splat winner! Damn, it's a good month for cocks.

***SUMMARY:*** Mason and her girls are in top form here. This is sex so intense, greasy and close-up you can almost touch it. ♣

# KISSING COUSIN!

**HE WENT FROM WORKING WITH HIS FAMOUS COUSIN SEYMORE BUTTS TO BECOMING A STAR IN HIS OWN RIGHT. EMMA EDWARDS JOINS THE PUSSY PARTY WITH COUSIN STEVIE...**

From fun loving character on the hit reality show *Family Business*, alongside his legendary cousin Seymore Butts, to award-winning director and producer of his own hit adult series *Pussy Party*, Cousin Stevie has been going strong in the adult industry for nearly a decade, collecting legions of fans and laughs along the way. Now Cousin Stevie is switching gears once again to include his own mainstream television show onto his roster, but not before stopping to tell us how a computer guy from Brooklyn happened to land one of the most coveted jobs in the world, as well as to discuss the things he likes and what's ticking him off. Get ready to learn, love, and laugh your ass off. Cousin Stevie has been turned on... loud and clear.

For thirty years before joining adult, Cousin Stevie worked in the Space and Defense industry on the east coast, then moved to California to open an office and work on computers. Unbeknownst to him at the time, that one move would eventually change his life and career focus forever.

"As a sales and marketing guy, it became increasingly hard to maintain my level of income. This is when Seymore asked me to join

his company as his business manager," Stevie recalls. There he would become an active member of an actual 'family business' that also employed Seymore's mother in the accounting department. "We are firm believers in family and trust," he continues with pride in his family's ongoing success. That switch happened nearly ten years ago and Stevie has been an adult mainstay ever since, gaining television acclaim in the process. "It's so funny because my fans from *Family Business* often come up to me and say, 'Cousin Stevie, tell me to fuck off!'" he laughs. "I do it and they love it!" Now Stevie runs the day-to-day operations of his cousin's global corporation. This involves scheduling, duping movies, sales, marketing and, "just about anything it takes to get the fucking job done, even if it means finding girls who squirt at the last minute!" he adds. Looking back, he now wonders why he didn't make the transition into adult much sooner. "Now I get to see lots of beautiful naked women," he laughs. "What can be better than that?"

After years of loyal service with Seymore Butts, and after the success of *Family Business*, the opportunity arose for Cousin Stevie to research the unfulfilled needs of the adult marketplace and formulate his [illegible] based on his findings. What transpired is his now famous all-girl orgy series, *Cousin Stevie's Pussy Party*. The show depicts what's all imagine goes on in college sorority houses on a daily basis and is one hell

Don't worry, they're professionals. They know what they're doing.

Charlie Laine has got a party going on in her pussy.

Tianna Lynn shows us her vertical grin.

Nikki Hunter shows that no hole is out of bounds.

of a swingin' party chock full of hotties. In each, several sexy girls vie for the title of hottest piece of ass by competing in a myriad of challenges that range from best solo masturbation play, best deepthroat action to who can insert the most plastic prick up their wet pussy in a single sitting.

"I don't ask the girls to do outrageous stuff, although most put it upon themselves to one up each other. Let's face it, it's eight girls trying to show off to one another and we get to watch!" Stevie smiles. All competitions are scored by an illustrious panel of judges that have included publicists, fellow performers and quirky porn writers (hint hint) who have been invited for a day of naughty play and plenty of laughs. The winner is announced at the end of the show and is awarded with a handsome sum of money. The show has been a fan favorite for several years and continues to grow.

"I can't think of one particular performer that stands out the most to me because all of the contestants have been special," says Stevie. "Although, Nikki Hunter is one fine woman. She's got the aggressive sexual style of a man trapped inside of a gorgeous female body. She doesn't just collect lovers; she hunts them down like prey! She's a great girl to have participate in the series."

For Cousin Stevie, going to work is now a very enjoyable experience for the most part. "From computers to nude women. How in the hell can a man beat that?" he says. But he warns that being a member of the adult community in this day and age isn't all fun and games. "We are in a very competitive business that is constantly being watched and surveyed by government officials."

With the current climate darkening around the adult industry and after a guilty verdict, a forty-six month conviction, and fines in excess of one million dollars for industry veteran Max Hardcore, Cousin Stevie is perturbed that our nation is spending money and resources on watching what's going on in the adult industry instead of using that money to capture real public enemies. "Although Max shoots a more sexually aggressive style of movie, the women get paid to do what they are asked to do and can say no at any time if they are not comfortable. Indentured servants are not our business!" he continues. "I want to know how many other industries employ as many multi-national women as we do that can make the kind of money they make."

As a result of this government scrutiny and, after amicably parting ways with his former distribution company, Cousin Stevie has put the lid on the *Pussy Parties* for a while or until he gets backed by a larger company that can offer security and handle the continued governmental

pressure. "I find this all to be very atrocious! If it weren't for sex none of us would be here! Sex is everywhere, especially mainstream. Sex sells!" If he had it his way, Cousin Stevie would legalize most forms of sexual expression. "I believe consenting adults should be allowed to write about, view and practice any kind of fucking sex that turns them on. Who the hell do we think we are dictating what kinds of sex consenting adults should practice?"

Well, until Cousin Stevie aligns with another distribution company, he has joined forces with industry pro Bishop, who also gained notoriety from his part in *Family Business*, and together they have formulated a new spin-off reality show to be called *The Adventures of Cousin Stevie & Bishop*. They are slated to become America's next odd couple in a show that is all about big dreams and even bigger tits! The goal of the show is to take on the biggest challenge of all time by creating a new empire inspired by the greats. Each week, through wacky attempts at crowning themselves "the new kings of adult," they will take on insurmountable challenges, like attempting to purchase Hugh Hefner's mansion, despite the fact that it's not for sale.

Since everything that Cousin Stevie touches turns into a critical success, this new attempt at reality fame should be no different. We anxiously await this fresh spin on the phrase 'Must See TV'. The last word must go to Stevie himself: "Now to all of my fans who love when I say this, 'Fuck off!'" ♣

You can't have a *Pussy Party* without Sunny Lane's pink parts.

Sunny's cunny gets all runny.

Leah Lexington isn't giving up until that thing disappears.

There's a girl somewhere in there, we figure.

## BAR BOFF

Last year, I took a summer job in a small bar, working with the manager, Roger, the bartender, Peter, and another girl, Molly.

One night, Roger told me we should do something for Peter's birthday that coming week. Peter was hot for Molly and no wonder – she was blonde, petite and all tits and curves.

On the night, Roger sent Peter on an errand, then closed the bar early. When Peter got back, lethal cocktails had been mixed, the cake candles lit and we girls had stripped down to lingerie and stockings. Molly gave him a lapdance – and a huge boner in the process. Then she asked Roger what would get him hard too.

"You gals kissing each other," he said.

Molly pressed up against me, touched her lips to mine, then slipped her tongue in my mouth. And I just kissed her right back, moaning as her hands began to wander over my half-naked body.

We heard a low groan from Roger and saw his hands were in his pants, stroking his cock. Peter's dick was straining against his zipper, and the poor guy looked shellshocked. Molly took him in hand, literally, and then her mouth. She had his meat in one hand and her cocktail in another and she kept sipping it, sucking him with mouthfuls of cool crushed ice and warming liquor.

His climax took her by surprise, while she was jacking him mid-drink. But, quick as anything, she moved the glass to catch the rest of his load. "Try this, babe," she told me, "it's a special cocktail made with real cockjuice."

We shared it between us – more groaning from Roger. Then we went back to kissing, Molly telling me her pussy tasted even sweeter than our drink, if I wanted to try it.

The guys were both jerking off now, as we moved into a sixty-nine. Molly's cunt was open over my face, while she dove her mouth in between my thighs.

"Hey, Roger," purred Molly. "This pussy's gonna feel so tight around your meat..."

Then she went back to licking me, making him wait a little longer.

"Watch her cum," she said, and splayed my pussy while rubbing on my clit so he could watch me clench and juice. "And Peter, when you're hard again, I want you in me, down to the balls," she added.

Right away, he stood up and got in behind her, wetting his cock in her cooze cream before pushing in. He started to slam her, too hard and fast for us to keep kissing each other.

Roger took one look at my pussy, free and inviting, and asked did I want some cock too. "Hell, yeah," I moaned and I felt his fingers caress my clit. I was close to cumming when I felt his prick touch up to my hole, and as he pushed in, I orgasmed around his shaft.

No contest – this was the hottest experience of my life. My cunt just kept on spasming as Roger fucked me and expertly played with my clit. And, over my face, this cute younger guy was slamming my pal's pussy, nuts swinging and bouncing, her juices splashing everywhere with each impact.

He'd only lasted this long because he'd cum before, and now his balls were full again, and tightening up. I heard him grunt, then bury his prick deep in Molly's cunt as he spurted. She snapped tight, took it all.

He pulled out, still hard, and his cock looked so appetizing, pink and shiny, that I couldn't resist a suck. He spurted out a couple more blasts in my mouth, then there was the rest of it to savor from Molly's cunt, which got her cumming all over again.

Now it was just down to Roger and I, and Molly stirred him up by telling him he should feel how tight my ass was. "Good call," he groaned and I didn't deny him. His prick slid out and down a notch, then, slow but sure, he inched inside of my butt.

Just watching his face, feeling those fingers on my clit as he nailed me, got me cumming all over again and when I felt his spunk bust out deep in my asshole, I screamed in ecstasy.

**I couldn't resist a suck. He spurted out a couple more blasts in my mouth, then there was the rest of it to savor from Molly's cunt**

Fucking Molly was a fantasy come true for Peter and they made a real cute couple – they're still together now. But, when he told me he wished he'd gotten to do my pussy as well, I made it happen. And Roger watched and fucked me directly afterward, before doing me in the ass once again.

## BROOKE & JOHNNY

Porn mags are valuable currency in jail. Some of them might only get you a couple of cigarettes, but a copy of *Confidential* or our sister mag *Club* is like having a gold bar. Thing is, Brooke doesn't want to trade it – she wants to stroke her slit to it while she thinks about all the nasty sex she's missing on the outside. Johnny is a pretty sympathetic guard – it's one thing denying Brooke her liberty, and it's another thing entirely to deny her a deep dicking.

He could just stick his cock through the bars for her to suck, but it ain't like she's a hardened felon who's gonna overpower him and escape. Yeah, he could lose his job over unlocking the cell and going in to bone her, but what a way to go. She makes it worth his while anyway, deepthroating his straining pecker like she hasn't had a cock in months. Maybe because she hasn't.

He takes his slick dick from her mouth and pumps it into her pussy, the juiced-up jailbird bucking back to meet him, such is her desperation for a drilling. There's not much jizz flying around on this all-women wing either, so it's no surprise that she begs Johnny to unload his sticky wad down her throat. And as a perk, she gets to keep the magazine too... ♣

## DELUXE CARWASH

Whoever says it never rains in Southern California is full of shit! For the last few days it's rained non-stop, causing the sleek curves of my sportscar to look more like an old clunker than the superb piece of American heavy metal that it is. So last weekend while in search of a local carwash I spotted two hot girls in skimpy bikinis holding up free carwash signs. They were gorgeous, sporting tan bodies that glistened with sweat, and high heeled shoes that showcased their perfectly sculpted legs.

Being a red-blooded male I had to pull in and get a better look at the dual sets of hard nipples that I was sure were popping out of the thin nylon fabric. Sure enough, when I drove down the long winding driveway and parked, both girls stood at my driver's side window looking as sexy as hell. At that moment all I could see was tight stomachs and navel rings until both girls lowered down slowly, giving me glances of their pointy nipples and then finally their pretty faces.

"You need a regular wash?" the cute blonde asked, squeezing the soapy content of a wet sponge over her tits until the fabric clung to her nipples.

"Or do you want the deluxe wash?" the other girl continued, securing the gushing hose between her tits and licking the trickles of water spewing out of the top.

"Fuck, I'm up for anything you'd like to do!" I replied, getting out of my car and pulling both girls in by their perky asses. Once the three of us were squashed together the two girls started to tongue kiss each other in front of my face. Their mouths were so close to mine I could smell the sweet scent of their breath as their tongues flicked back and forth. That tease was so erotic that it left my cock rock hard and ready to party. Finally they pulled my mouth in and began to kiss and massage my lips and tongue with theirs.

"We'll wash you down from head to toe," they whispered in unison. While the

**Seeing the boner in my jeans, the girls lowered to their knees and yanked my cock out. The blonde wrapped her lips around it**

blonde began to nibble around my ears, the brunette went for my neck. I stood there in total bliss, continuing to mold and sculpt their college-aged asses into my hands, taking in deep handfuls of taut flesh, causing my fingertips to graze the soft skin of their pussy lips. Noticing the big boner in my jeans, both girls lowered to their knees and yanked my cock out.

The blonde wrapped her lips around my

shaft and started to slobber, while the brunette cupped her mouth over my balls and began to hum. "This dirty boy needs to be washed," the brunette purred, switching places with the blonde to get a mouthful of my meat.

Since the name of the game that instant was oral pleasure, I threw down a couple of beach towels and urged the girls to squat down side by side in doggie. Once both pieces of ass were fileted out in front of me, I gave each butt a few playful smacks to test their firm flesh, then pulled their panties to the side to get a good look at their holes. After several minutes of inspecting each girl, I stuck my tongue out and began to lick each pussy and ass.

So there I was, tongue stuck up one pussy and fingers stuck up the other. The girls loved my skills and swayed their asses side to side and against one another, causing their butts to blossom out even further. After I had my fill of sweet cooze cream I grabbed my cock in my hand and started to jerk off against their butt cracks.

"It will feel much better inside," the brunette purred, pulling her rump open. There was no way I could resist an invitation like that, so I injected my cock into the brunette's ass, urging the blonde to collect our sex drippings with her tongue. Like a true cock lover she did exactly what I had asked of her and was licking us to perfection.

After a while, I hoisted the blonde up onto the brunette's back and started to poke her pussy in missionary position. It was great! I had the brunette's asshole and the blonde's pussy ready for the taking. I popped my cock in and out of each hole in turn, eventually pulling back to shower them both with cum that they licked up off each other.

I didn't get my car cleaned that day, but I was happy enough to get a double tongue bath and my knob polished by two hot honeys instead.

## BLIND (DATE) JUSTICE

My best girlfriend can be so flaky sometimes. Once, she asked me to hook her up with a blind date, only to leave me sitting in a bar with my boyfriend Glen and his buddy, Tom, because now she'd found a guy all by herself. Tom joked that he should claim a 'consolation fuck' from me if he wasn't getting a girl of his own.

"Well, maybe just a blowjob," said Glen.

He was joking too, but I stood up and said, "Okay, home. All three of us."

First, I did a little striptease for the guys, so by the time I got them naked, their dicks were in full glory. Glen's is big but Tom's was something else, long, fat and engorged solid.

I swooped on it, real greedy, telling Glen to join in however he wanted. But he stood there grinning, cock in hand, just watching for now.

Tom laid back on the rug. "Just rub your cunt all over me," he groaned. I obliged, fingering my clit, working a big slick of juices over his chest and belly, spending a couple of minutes writhing on his tongue so he could get me even wetter before I slithered back down.

Even as I straddled his prick, I was just grinding against it, giving his shaft and balls a hot cream shower. Then I got one of my own – Glen suddenly jizzed all over my ass.

I didn't care, I had Tom's big hunk of cock to play with. But now he said he'd have that blowjob first. I felt so horny, but so frustrated too, as I backed down, pussy throbbing. First, I just tongued his boner all over, lapping up my cunt juice. Then I licked the precum off of his tip, spreading it all over his helmet before taking it in my mouth.

He felt even bigger in there, veins pulsing as his big bulb pressed down on my tongue. He tasted salty and I felt the saliva pool and drip out the corners of my mouth. As I sucked him he started pumping in and out, grinding his hips so that every part of my mouth was stimulating him.

Glen wasn't quite hard again yet but he

was working on it, kneeling behind me now to lick his own spunk from my crack and slit. I let out a little moan every time his tongue fucked in deep, then one big groan as he slid three fingers in me. Tom obviously thought he hadn't crammed my mouth full enough, and so started to fuck it even deeper.

Just as we got into a rhythm and I felt the pleasure really start to build, Glen pulled out his fingers, just to slide them upward and stick two of them in my asshole. My pussy tightened in frustration, then flooded with juice as Glen sealed his mouth over my clit. The suction, and the fingers in my butt, quickly set me off cumming.

"Ya like that, honey?" he breathed. I just asked him was he hard yet.

He answered me directly, drawing his fingers out my asshole, then slamming seven rigid inches in my cunt. As long as I was still sucking Tom he screwed me slow, watching and waiting.

It's hard for me to imagine more pleasure. One pole humping deep inside my pussy while another rubbed against my tongue, smooth and salty, all three of us so turned on.

It wasn't gonna last a whole lot longer. I know cock and I could taste and feel that Tom was getting close to blowing his stack. His balls felt like they were packed solid as I gave them just the gentlest squeeze, and that was all it took. I felt a hot splat at the back of my throat, then let him slide out slowly, creaming on my tongue before spunking the last of it on my tits as I massaged it out of his balls.

I moaned and swallowed loud to give Glen an added thrill, and then he powered into me, pounding me extra-hard to show Tom that I wouldn't be looking elsewhere for dick too often. I guess we put on a good show, because it wasn't long before Tom was hard again and ready to give my snatch a long, hard plowing...

## NUMBER ONE FAN

The life of a car insurance saleswoman is not all that exciting. Day after day I'm met with the same resistance from bored customers who are just as excited about receiving my marketing calls as I am about making them. My only solace comes once a month when my *Club Confidential* arrives on the newsstand.

I race home with it, yank my panties down to my ankles, and scour the pages in search of the girl I will finger my hole to first. Usually I'll look for a sexy chick with blonde hair, big tits begging to be sucked,

**I took a hot splat at the back of my throat, creaming on my tongue before spunking on my tits**

and a pretty pussy eager to be cleaned out by my tongue. After spending ample time rubbing my clit and banging my asshole senseless, I turn to the 'Show Us Yours!' section of the magazine and shove a huge black dildo up my asshole once again. This time it's the sight of all those slutty neighborhood babes with their legs spread. They make my cunt throb as I inspect their open holes splashed across the pages.

Last time, right as the image of some naughty bitch was making me cum all over my hands, my husband walked into the living room with his digital camera in one hand and his hard cock in the other. "Whatcha doing over there?" he asked, stroking his boner. As it turns out, he had been watching me fuck myself silly the entire time, snapping pictures of me curled over in doggie, sucking on my nipples, and dredging my fingers into my sloppy hole.

"You look just as hot as those girls," he continued, urging me to pull my legs open and show him my pink center and kitty ring. Feeling like a hot magazine babe, I did as he instructed and worked my way through all sorts of sexual positions while he clicked away on the camera.

"Arch your back. Poke your ass out!" he ordered me. When I started to jam a few fingers up my ass and in my pussy at the same time he went wild. He set down the camera, grabbed my face at the cheeks and pushed his dick through my lips.

"Suck on this, you sexy little slut!" he

**Although he is packing a solid nine inches, I didn't even flinch when he entered through my backdoor. I could handle it**

growled, groping my tits while his cock powered into my throat. I sucked him hard, flipping through the pages of the magazine the entire time trying to mimic the way the porn stars were sucking cock.

"Do you want to see me on the pages of this magazine?" I asked, while stroking his balls and toying with his butt.

"You will be, baby. I'm submitting these images," he continued, rolling me over onto my hands and knees to get a look at my tight asshole. He spat a wad into my crinkly bung and worked his hand around the rim. My greedy ass sucked in one finger at a time until four digits were plowing in and out of my butt.

"Cock, give me some fat cock!" I screamed as he grabbed his throbbing meat at the base and jammed it inside. Although he is packing a solid nine inches, I didn't even flinch when he entered through my backdoor. I was so horny and wet with cum that I could handle it.

He grabbed my hips and began jackhammering my ass like a maniac. I could feel his sweat trickle over my back and the sound of him growling with sheer satisfaction made me feel so sexual and animalistic. I pulled my asshole open with both hands as my body was shunted along the carpet. Although I knew I'd have crazy carpet burns to try and explain the next day at the office I didn't care. My main focus was making my gushing holes cum as many times as I could, ultimately breaking my old personal record of eight cum gushes in one session.

When I held my vibrator to my pussy it started to explode. Finally the vibrating sensation was more than both of us could take, causing my husband to bust his nut inside of my asshole. It was the perfect ending to a brilliant experience and I've got lots of pictures to prove it!

# MY CONFESSION!

## "DICK ON DECK!

A short while ago, my friend and I drove to the bay front auditorium to watch half the crew of a military ship heading out on shore leave, leaving the rest on board. I was wearing a halter top and a very light, very short skirt. The wind did a great job of showing off my legs to the men lined up along the rail of the ship.

After a while my friend pulled me close to him and lifted my skirt, baring my ass for all to see. He let them look for a minute, then turned me around, unzipping my halter top to expose my breasts. When he reached for the hem of my skirt again, lifting it to expose my shaved pussy, there was a real stir!

We asked a couple of the men to come down and take some pictures with me, which they did. Then they invited us on board and gave us a tour. My friend asked if they had seen everything they wanted. They said they'd enjoyed our little show, but it had been too far away. So now my friend gave them the same view, but close up and personal!

One of them asked if he could touch and my friend said yes. The man cupped his hand over my wet pussy. I was so ready for whatever came next, but suddenly there was a call on the radio saying that the captain was coming aboard. Of course the mood changed rapidly, and we thanked them for the tour and went ashore.

Ever since then I have been fantasizing that I had 25 men at my disposal in the crew lounge, my friend taking photos the whole time, until I had cum covering my entire body. ***"Show and Tell" – North Carolina ♣***

# HOW TO BE A STUD!

## PART 12: GET YOUR MOTOR RUNNIN'...

**There's a lot to be said for having sex in a car. It can be sexy, daring, spontaneous and a break from the norm. It can also be dirty (in a bad way), dangerous, illegal and uncomfortable. Of course, *Confidential* won't steer you wrong, so follow our tips for getting that gearshift of yours polished. Here's to life in the fast lane...**

### 1: THE CAR'S THE STAR

A three-seater that doesn't have rear doors? Let's hope you're both on the small side. A busted hooptie without suspension? Take it easy. The more spacious your vehicle, the easier it is to have sex in. Okay, a close-quarters fuck in a mini might still be fun, but having seats that recline and a cushioned steering wheel can help a lot. A jeep with tinted windows? Perfect, unless you really want to be seen...

Kelly polishes Teagan's hood in Digital Playground's *Teagan: All-American Girl*.

Jana Cova looks like she'd make the perfect passenger.

### 2: ROUGH RIDERS

Why are you having sex in a car in the first place? We're guessing it's for the thrill of doing it somewhere different, because you can't wait, or because your house is on fire. If it's the last of these, call 911 before applying dick to pussy. But bear in mind that having sex in risky places has — yes — risks. The most important one is the illegality of having sex in public. Depending on where you are, you can be fined or imprisoned. And embarrassment comes as standard with this model.

### 3: THE WHOLE CAR

There's more to in-car fucking than just pressing the recline button and jumping on top. How about a backseat blowjob? Or you can stop the car and pop her trunk on the hood. In fact, that's a great place for missionary, with her legs over your shoulders as you stand up. Just make sure you've got the handbrake on.

Kelly Kline and Teagan wait for Scott Nails' suds.

Marco Banderas helps Staci Thorn clear up her car trouble in Digital Playground's *Hot Rod For Sinners*.

Staci proves that she can drive stick.

### 4: OPTIONAL EXTRAS

See how we mentioned back seat blowjobs before? That's because a front seat blowjob — while driving — is pretty damn risky. It's also one of the best things ever, but we wouldn't be doing our duty if we didn't warn you about what could happen if you hit a pothole with your dick in your babe's throat. And would it kill you to get the car valeted every once in while? ♣

# RUG MUNCHERS!

Four horny sluts — all of them porn stars, by the way — and a couple of strap-ons. Well, what did you think was gonna happen next? When Jenna Haze gets together with her girlfriends Jezebelle Bond, Haven and Tyler Faith, they don't waste time talking about what reality TV shows they're all watching. Nope, they get naked and nasty — in that precise order.

Jenna's got a new strap-on she wants to try out, but she's not sliding that into any slits until she's slurped on some first. She works her tongue into Jezebelle's juicy slot while Haven and Tyler switch into a sticky 69.

Once the pussies are all lubricated, it's time for the strap-ons to start sticking. Jezebelle and Jenna are the first to wield the wangs, packing their fuckbuddies' cunts with plastic and setting off a series of intense orgasms. Tyler and Haven get their go too, so everyone knows what it feels like to have a dick and a chick goin' wild on the end of it. Time for some small talk now? Nope, there's a whole sack of toys to work through... ♣

# MY SEX LIFE!

## "NAUGHTY NURSE AT YOUR SERVICE!"

It all started with my favorite fuckbuddy getting drunk and breaking his leg on a night out. He rang me and I met him in the ER. Despite his rather dramatic display of pain, he couldn't resist ogling all the hot nurses who were looking after him.

Seeing that glint in his eye inspired the idea to give him some special bedside service. Once he was back home, leg in a cast, I shaved my pussy down to a sexy landing strip and put on a kinky rubber nurse's outfit, with stockings and heels.

I stood at the end of the bed and gave him a naughty wink, then unzipped the front of my uniform to give him a good look at my cleavage, before lifting my skirt to show him a glimpse of the pussy he would soon be licking.

As I touched my pussy lips, his cock started to rise and I had to go and give it a lick from balls to tip. That soon got him hard as a rock. I swung my leg over him and lowered my cunt onto his face. He licked my pussy and ass until I was moaning, then I kissed him to taste my juices from his mouth.

Now I started him off with a handjob, quickly getting carried away and running my tongue all over his dick. I do love sucking cock, and I tasted every inch, plunging it in deep as the heat of my mouth drove him wild.

I was rubbing my clit as his cock got harder and harder in my mouth. I could tell he was really eager to fuck this naughty nurse now, so I pulled my skirt up and climbed on top of his throbbing rod. He was so hard he spread my pussy wide open as I took it all right down to the root. I admit I got totally cock-crazy once my pussy was filled to the brim with rigid dick, and I rode him so hard that his leg started to throb.

He was groaning as he shot his load deep inside my hot pussy, which set off a hell of an orgasm for me. My cunt clenched around his meat as I came like crazy. Afterwards he said it was almost worth breaking his leg to experience my special bedside manner!

FAQ About Xomax
Q. How soon do you see results ?
A. Most men see results with their first dose and increasing results over 60 - 90 days.
Q. Are the results permanent?
A. For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.
Q. How much growth can I realistically expect?
A. Up to 5 inches or more with a increase in width of 50%
Q. Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement.
Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.
Q. Is Xomax guaranteed to work?
*A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within two months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are

# FILLED TO THE BRIM!

Jasmin isn't really known as the shy, retiring type. Any clues as to how she got such a wild reputation? Well, maybe it's doing things like inviting her buddies Titus and Ricardo over to plug her pussy on a regular basis until she's gargling with their cum. Or the time she got them to take turns boning her butt. Today she's taking things a step further — she wants both their pulsing peckers inside her at the same time.

The guys don't mind doing whatever she wants them to — how often do you get a piece of ass this hot begging for a DP, after all? However, they want to fuck her sweet mouth first, so they each spend a little time between her lips until their cocks are shiny and hard and ready to pound her pussy.

Titus taps her twat good and hard while Ricardo makes a beeline for her butt, and soon she's cumming hard with over a foot of fuckstick inside her. She makes sure they empty their nuts down her throat in turn too — doesn't look like she's repairing that slutty reputation any time soon... ♣
